Ohio Child Welfare
Training Program
E-Track

PCSA Caseworkers, Supervisors, and Foster/Adoption Assessors!

E-Track is the Ohio Child Welfare Training Program's online learning management system that allows you to:

- **instantly access your training record and transcript;**
- **search and register for training opportunities;**
- **see a list of sessions for which you're already registered**
- **complete online learning evaluations**
- **receive digital training completion certificates**

Your PCSA foster caregivers and adoptive parents have this same functionality, and are receiving their own welcome message to E-Track!

Supervisors have the ability to do the above, and also instantly access their staff's individual training records, including historical transcripts and current enrollment. Supervisors also will receive email notification when any of their staff registers to attend an OCWTP learning, and have the ability to withdraw that registration. If you are considered the "supervisor" of your foster caregivers and adoptive parents, you will also have this ability.

Even more E-Track functionality is on the way! Distance learning will soon be incorporated into E-Track, allowing you to connect to available online learning opportunities. Blended learning, which combines classroom learning with online message boards, chatrooms, wikis, etc., will be gradually introduced over the next two years. Also coming up are online individual training needs assessments, and the ability to create individual training development plans that link to OCWTP learning interventions.

So what are you waiting for? Start harnessing your OCWTP training experience today!

To get started, go to the County Workers & Supervisors E-Track Training Page and quickly learn how to log into and use E-Track to maximize your OCWTP training experience. Don't wait – link now!

Training Program
E-Track

Adoptive Parents and PCSA Foster Caregivers

Adoptive Parents or PCSA Foster Caregivers who have attended OCWTP training since October 2009, already have a training record in E-Track and can log into E-Track today to:

- **instantly access training record and transcript;**
- **search and register for training opportunities;**
- **see a list of sessions for which they're already registered**
- **complete online learning evaluations**
- **receive digital training completion certificates**

And more E-Track functionality is on the way! Distance learning will soon be incorporated into E-Track, allowing them to connect to available online learning opportunities. Blended learning, which combines classroom learning with online message boards, chatrooms, wikis, etc., will be gradually introduced over the next two years.

So what are you waiting for? Make sure your adoptive parents and foster caregivers are harnessing their OCWTP training experience today!

To get started, go to the Adoptive Parent/Foster Caregiver E-Track Training Page and quickly learn how to log into and use E-Track to maximize your OCWTP training experience. Don't wait—link now!
