

New Learning Lab for Supervisors

Managing for Outcomes: Using SACWIS Data to Improve Performance

This **three-hour** learning lab will show supervisors how to use SACWIS data to improve individual staff performance, monitor and improve unit outcomes, and promote data driven decision-making on behalf of children and families.

This Learning Lab Includes:

- Discussion on how Ohio's CFSR and CPOE child welfare outcomes shape the major SACWIS reporting systems, BIC and ROM
- Hands on practice running ten basic reports from SACWIS, BIC, and ROM
- Discussion on how reports can be used to support a supervisor's work and improve staff performance
- Discussion on the importance of accurate and complete documentation in SACWIS

E-Track Learning Number: 511-SACWIS-7-LLS

Scheduled Workshops

- October 27, 2014
from 9 am-12 pm or 1-4 pm
 - November 21, 2014
from 9 am-12 pm or 1-4 pm
- ODJFS Air Center
4020 E. 5th Ave
Columbus, OH 43219

Participants are required to submit the ODJFS 07078 form to ODJFS prior to the workshop. They will be given a username and password to bring to the workshop so they can access their own BIC and ROM data.
